## ABOUT US

**Pegasus Riding School** is a recently opened family operated riding school. It is not a grand money-making enterprise, but rather a chosen way of life.

With our passion for horses and genuine interest in our clients, we work together as a family, and we work with our clients as a team.

Here at our school are all the elements needed to pursue common goals and common purpose, which includes maintaining a friendly and welcoming 'horsey' place to visit and have fun.

### Our Mission

To share and pass on our knowledge and understanding of horse riding and training, while continuing our own lifelong learning.

To give encouragement to others to progress, while sharing in their pride of achievement.

To promote the love of horses and equestrian sports.

To provide facilities for people who don't own a horse or pony to be able to ride regularly.
